Dear Warren,

1. [REDACTED] proposed a \$250,000 overrun relating to the 13C Production of which [REDACTED] is one of three contracts involved. I negotiated with [REDACTED] this morning a figure of \$213,578. Your proportionate share of this overrun figure to cover [REDACTED] amounts to \$48,696.

2. I would appreciate an early response relative to the transfer of these dollars so that the proper amendment can be made to the contract.

Very truly yours,

Walt
